FIGURE

This year Western Australian events will offer the popular USA *Figure* division. Figure judging consists of the symmetry round of traditional Ms Figure where presenting a well balance and symmetrical physique is rewarded – there are no muscularity poses or posing routine. Female competitors will be able to enter this division as a second division. In most countries this type of Figure is the most popular female division; only in Australia and NZ has Ms Figure remained popular. This means at international events outside Australia, Figure is a more popular division. To introduce the division and start the building process in Australia, Figure will be offered at selected contests around Australia. We expect will prove very successful.

ADDITIONAL DIVISION (Optional)

Enter Bikini, Fitness Model, Figure or Mr Beach Body as a second division. Enter both on the same entry form. Price for entering a second division is half price (\$50).

At registration you will receive: Contest number and Backstage Pass for one helper - **remember your helper still must pay admission.**

COMPETITOR MEETING – 5.15 PM Contest Day

There is a Competitor Meeting in the Backstage (pump up) room at 5.15pm on the contest day. Competitors will be introduced to the officials and the show format, judging criteria, the Where's and How's will be carefully explained and questions taken.

COMPETITOR'S PHOTOGRAPHS & DVD

A DVD will be filmed of the show – early order discount is available when entering for \$45, other DVD costs \$50 after the event. A Professional Photographer will be taking photos at the contest - we have a set-fee offer whereby you receive all the photographs taken of you and your division on CD for \$35. You are able to edit and print all the pictures. Please order your DVD and photos on the entry form.

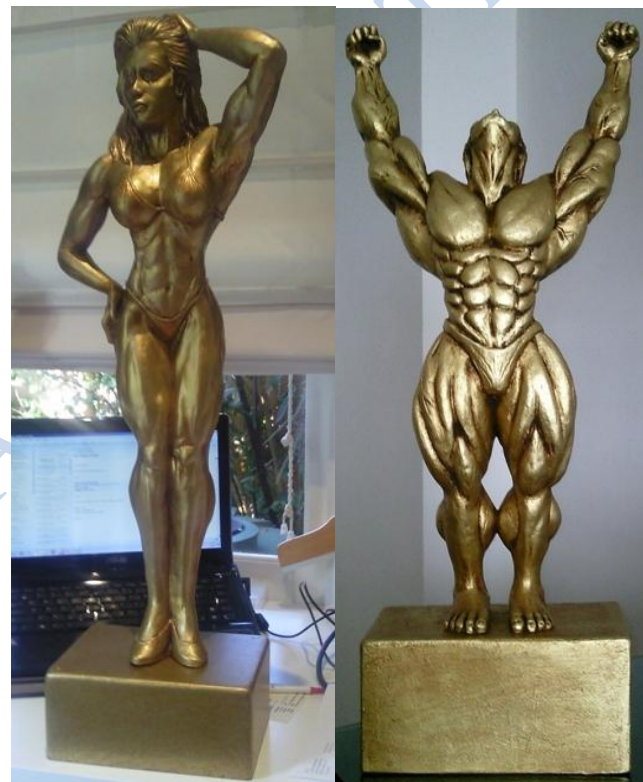

OPTIONAL INDIVIDUAL POSING ROUTINE & MUSIC

Round 3 or Individual Posing *is optional* at this event. For those wishing to perform their routine either email your music to us as a MP3 file include your name, contest and division in the subject line. Email to Sam Attrill at sam@samattrill.com. Otherwise post

your music along with your entry form. Alternatively, bring your 60 second CD to registration on April 28^h. Either way, we need you posing music by Friday May 4th.

Your posing CD should be a copy (not original) and only have one track – your posing music. We burn your music CD to computer and to play via laptop; this should eliminate any fault with your music playing on the day. However, keep a “back-up” CD of your music backstage with you in case.

STATUES FOR OVERALL CHAMPIONS

Pictured is the incredible Overall Championship Statues for the 2012 Perth Classic Ms Physique and Men's Overall Champion. The Championship Statues are exclusive to INBA and can not be won elsewhere and are not available for sale. The Perth Classic Champions who win these special bodybuilding awards will have on display in their homes a very unique talking point!

BACKSTAGE GUIDELINES

Each competitor is allowed only one “helper” back stage. Bring your own weights to pump up if required. Prestigious venues such as the Macedonian Club give no second chances with their venue, if there is damage to the venue and furnishing from competitor's tan and oil. The INBA insist your tan be applied prior to arriving at the venue, so only a final 'touch up' is required. We also discourage the use of transient products like *Dream Tan* and recommend skin-dye tans like *JanTana*. Competing at this venue has three compulsory conditions:

1. Competitors must bring a towel (or similar) to stand on when they are applying any tan/oil.
2. Wear sandals (or similar) at all times backstage until you go on stage.
3. Competitors must be fully clothed before sitting on chairs in the venue.

NATIONAL, WORLD & AUSTRALIAN QUALIFICATION

Top 3 in each division will qualify for the new 2012 City Natural Championships in Sydney on June 3rd and be part of Team Australia to compete in Carlsbad (Czech Republic) in June 29-30th. Additionally Top 3 also qualify for the 2012 Australian Titles held in Melbourne in October.

COMPETITOR ACHIEVEMENT MEDALLIONS

INBA Australia commissioned the striking of an exclusive gold Achievement Medallion for our competitors who take up the challenge of competing, but do not place Top 3. The double-sided Achievement Medallion recognises that to make it on-stage is a remarkable accomplishment. Not many people have the strength to attempt or succeed in completing the ultimate physical challenge - to endure the 24/7 rigours of contest

preparation, diet, training and also learn the mind field of knowledge to take your body to new boundaries. INBA wanted something special to recognise their competitor's feat of making it all the way to "contest day". Plus to highlight that placing outside Top 3 does not reflect what you have achieved – sometimes those who finish last have fulfilled the biggest personal challenge. Like finishing a marathon, to compete on stage deserves its credit - the INBA Achievement Medallion.

DRUG TESTING

Drug testing at INBA events is conducted via WADA accredited urine analysis using our Government independent drug testing body – Australian Sports Anti-Doping Agency (ASADA). Cheating in INBA events is a serious offence and harsh penalties apply. In addition to been banned by INBA (and our bans apply across all Olympic and International sports) we may publish the athletes name, photograph and drug-test results on INBA websites. The Australian Government will issue their separate public media release, in conjunction to listing the athletes name with each relevant government body.
